

Curriculum Framework Policy

Policy Statement

Curriculum covers all the arrangements the school makes for students' social, emotional and education development and learning. It includes course content, student activities, teaching approaches, the way in which teachers and classes are organised and decisions on the need for and the use of facilities and resources.

Auburn Primary encourages its students to strive for excellence in all of their endeavours. To achieve this, the school provides sequential teaching and learning programs that deliver a comprehensive, broadly based and inclusive curriculum.

- Our school will comply with all Department of Education and Training (DET) guidelines about the length of student instruction time required in Victorian schools.
- There will be a broad offering of programs to meet the needs of students. The [Victorian Curriculum F-10](#) will be implemented.
- School curriculum programs are designed to enhance effective learning.
- Preparing young people for the transition from school into further education is a critical element in our program.

Input will be sought from the relevant staff in a particular curriculum area when determining programs for the following school year.
- The [Victorian Curriculum](#) will be used as a framework for curriculum development and delivery at years Prep to 6 in accordance with DET policy and guidelines.

- The use of Technologies will be integrated across the curriculum to support the enhancement of teaching and learning outcomes.
