Dear Families,

Welcome to an Exciting Year Ahead at Auburn Primary School in 2026!

We're thrilled to begin another year of learning, growth, and discovery together at Auburn Primary School. We wish to advise you of the school's voluntary contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. However, it's the generous support of our families through voluntary contributions plays a vital role in creating richer learning experiences, stronger programs and a more vibrant environment where every student has the opportunity to thrive.

What Your Contributions Made Possible in 2025

Thanks to your generosity, our students enjoyed a year filled with engaging and enhanced learning opportunities, including:

- Inspiring specialist programs in Mandarin (LOTE), Visual Arts, Performing Arts, and Physical Education
- Well-stocked classroom libraries with exciting, high-quality books for every reader
- Hands-on Maths resources that bring problem-solving and creativity to life
- New sports equipment encouraging active play and teamwork during PE and break times

We sincerely thank you for supporting these programs through your contribution.

Your Support Also Ensures Our School Runs Smoothly

Your contributions help us provide the everyday essentials that keep our school safe, welcoming, and well-resourced:

- A dedicated first aid officer and trained staff to care for students when they need it most
- Ongoing maintenance of our grounds and buildings, creating a safe, accessible, and inspiring environment
- Investment in ICT infrastructure and expert onsite support, ensuring students are confident, capable digital learners

Looking Ahead – Building Our Future Together

Tax-deductible donations to our Library and Building Funds will help us continue to grow and improve:

- Upgrading learning spaces and key areas such as student bathrooms
- Expanding and maintaining our technology resources, including digital devices and STEM resources
- Growing our library collection with diverse and engaging books for readers of all ages

Every Contribution Counts

Your support—no matter the amount—makes a real and lasting difference. Together, we can continue to offer an exceptional education that nurtures both the academic success and personal growth of your child.
